Spring is here! Enjoy this Linguine with Shrimp and Lemon Oil Recipe!

**Courtesy of Food Network**

**INGREDIENTS**

**Lemon Oil:**
- 1/2 cup extra-virgin olive oil
- 1 lemon, zested

**Pasta:**
- 1 pound linguine pasta
- 2 tablespoons olive oil
- 2 shallots, diced
- 2 garlic cloves, minced
- 16 ounces frozen shrimp
- 1/4 cup lemon juice (about 2 lemons)
- 1 lemon, zested
- 1 teaspoon salt
- 1/2 teaspoon ground black pepper
- 3 ounces arugula (about 3 packed cups)
- 1/4 cup chopped fresh flat-leaf parsley

**DIRECTIONS (4-6 servings)**

1. **For the lemon oil:** Combine the olive oil and the lemon zest in a small bowl and reserve.

2. **For the pasta:** Bring a large pot of salted water to a boil over high heat. Add the pasta and cook until tender but still firm to the bite, stirring occasionally, about 8 to 10 minutes. Drain pasta, reserving 1 cup of the cooking liquid.

3. Meanwhile, in a large, heavy skillet warm the olive oil over medium heat. Add the shallots and garlic and cook for 2 minutes. Add the shrimp and cook until pink, about 5 minutes. Add the cooked linguine, lemon juice, lemon zest, salt, and pepper. Toss to combine. Turn off the heat and add the arugula. Using a mesh sieve, strain the lemon zest out of the reserved lemon olive oil and add the oil to the pasta. The zest can be discarded. Add some of the cooking water to desired consistency. Add the chopped parsley to the pasta and toss to combine. Serve immediately.

Employee Profile

Maria Nino

Job title: Grants Specialist

Length of employment: Eight years and five months

What was your first job? My first job was at El Pollo Loco straight out of high school

What are your hobbies? I love going out to new places and seeing what is out there. I also enjoy getting to experience other cultures and taking on challenges.

I have a talent for ... focusing on becoming a master of tasks that I do not know much about. Once I can master a task, it will forever be imprinted in my brain, and I can never forget it. I am obsessed with learning about things that I find interesting.

What are your biggest accomplishments? A big accomplishment of mine is receiving my acceptance letter to CPP for this upcoming fall. After years of working on finishing my AST degree at Mt. SAC, running Qdoba and not giving up and pushing through, I was finally able to continue to become successful. A fun accomplishment is when I competed with my family to eat a Carolina reaper cheese puff without panicking, crying or sweating. Let me tell you, I do not do spicy food at all, so for me to do this challenge is definitely an accomplishment.

What is your favorite song? I have a few favorite songs, but one of my favorite songs would be “Die a Happy Man” by Thomas Rhett. This was my wedding song, and every time I listen to it, it always brings me back to my husband and I’s first dance as a married couple. On our wedding anniversary, we always slow dance to it, making me feel like I am in a fairy tale all over again. My second favorite song would be Michael Jackson's “Man in the Mirror.” I’m not too sure why, but I get pumped and sing every time I hear this song.

If you could meet any public figure, living or departed, who would it be and why? Will Smith is a legend! His strong desire to never give up gives me hope to continue to become successful. His quote, “I don’t know what my calling is, but I want to be here for a bigger reason. I strive to be like the greatest people who have ever lived.” I don’t always know what my calling is, but I know I want to help people, thrive and become an inspiration to others.

What’s the best gift you’ve ever received? The best gift I have ever received would be the heart locket my husband gave me when my grandpa passed away. I was able to place a picture of grandpa in it and forever carry it with me. My grandpa raised me, and losing him was one of the hardest things that have ever happen to me. Since I received the locket, I have felt like my grandpa is still with me and cheering me on when I accomplish something new.

If you could be any animal, which would you be? A red panda! Not only are they cute, but they also symbolize gentleness, compromise and patience. Their spiritual meaning is balance, independence, security and nonchalance.

Foundation Virtual Breakroom

Join your Cal Poly Pomona Foundation friends in being distantly social!

The Foundation Virtual Breakroom is a monthly social gathering for Foundation employees to come together and partake in various virtual activities and games over Zoom (with prizes).

Attendance is optional and will vary in time/day each month. Be on the lookout for an email from Darren Isomoto to participate in the next Foundation Virtual Breakroom.
When you support the services that are owned and operated by the Cal Poly Pomona Foundation, you help students obtain on-campus jobs, and help fund scholarships, campus programs and educational grants. Foundation enterprises include Dining Services, the Bronco Bookstore, the University Village and Kellogg West Conference Center & Hotel.

As the largest employer of students on campus, the Foundation offers valuable work experience and hands-on training to approximately 1,500 Cal Poly Pomona students each year. The Foundation offers positions in various fields; whether it is in the area of technology, science, retail, culinary arts, hospitality management, leadership or research grants, these student employees participate in Cal Poly Pomona's learn-by-doing philosophy and acquire practical skills in their designated field of study.

The Foundation also contributes operating support to nearly 1,100 Foundation and scholarship programs every year, including Bronco Athletics and the Norman J. Priest Scholarship. In addition, the Foundation administers grants and contracts, contributes to campus security, and supports several university publications. The Foundation contributes over $1 million annually to Cal Poly Pomona.

Because of your support, the Foundation is able to provide these beneficial services every year. Thank you for making your purchases on campus and contributing to the success of Cal Poly Pomona students and the university community.
