KELLOGG WEST EMPLOYEE OF THE MONTH – JUNE 2018

Ronnie Medina

Ronnie Medina has been a Kellogg West employee since November 2016.

He is a versatile employee that has performed duties such as catering server, driver and wedding and catering set-up staff. He has received a great response from guests as well as his peers and supervisors. Ronnie is currently in the process of expanding his operational knowledge in bartending duties by accepting to take a class in mixology.

Ronnie has been a great support to the Kellogg West operation, and his positive attitude makes him a likable staff member.

Kellogg West is happy to award the June 2018 employee of the month to a valuable Kellogg West staff member.

Ronnie Medina and Oscar Villanueva

Sincerely,

Oscar Villanueva

Dining Services Celebrates New Partnership with Harris Ranch

Foundation Dining Services has selected Harris Ranch as their primary source of beef. Established in 1937, Harris Ranch is an integrated family of companies and is one of the largest family-owned agribusinesses in the nation. Located in California's Central Valley, Harris Ranch sources, feeds and humanely processes all beef. From their world-renowned beef division to their diversified farming operation, Harris Ranch produces the highest quality products for food service, retail outlets and e-commerce.

“From the start, our mutual commitment to environmental stewardship and food safety were the centerpiece of our partnership,” says Aaron Neilson, Director of Dining Services at Cal Poly Pomona.

“We look forward to bringing Harris Ranch innovative products, such as the ‘Blended Burger’ to our campus.”

The ‘Blended Burger’ contains a mix of mushrooms and beef to create an alternative healthier option to the average burger. This exciting product will be available at Cal Poly Pomona in the near future.

A Thank You to the Kellogg House Team

Reviewed on Wedding Wire

“From the moment we took a tour of Kellogg House, we knew that we had to get married there. Jacqueline and Kristen were nothing short of amazing. From the time leading up to our wedding to the day of, Jacqueline was a phone call or email away and answered any questions we had. She was so helpful and informative and truly made the planning process a breeze. Kristen was literally at my side the whole day making sure I had everything I needed. I was able to truly enjoy my day with no worries or concerns as she took care of everything. The staff was sweet, professional and pleasant. I would recommend this venue in a heartbeat as it has the quality, professionalism and beauty of everything you need for your special day.”

New Mural Unveiled at Campus Center Marketplace

A new mural has been painted on the wall across from the Carl's Jr. location at Campus Center Marketplace. Freelance artist, Kyle Brightside of Brightside Art is from Melbourne, Australia and created a beautiful mandala on a once-blank brick wall. A mandala is an abstract form of symbols that can be used for meditation, healing and art therapy. Some of Kyle's other mandala murals can be seen around the Victoria coastlines and Melbourne in Australia.

The inspiration for the mural came from wanting to provide the Cal Poly Pomona community with a piece of artwork that reminds students to enjoy their surroundings and take in everything that Cal Poly Pomona has to offer. Kyle also took great influence from other mandala inspired art.

"The great thing about this particular mandala is that every time you look at it, you see something new and different," says Kyle of Brightside Art.

"The artwork will grow with students as they progress through their student life."

Be sure to visit the Campus Center Marketplace and check out the new mural!

Note of Gratitude

July 3, 2018

Dear Mr. Prenovost,

I'm writing to thank you for the support provided by the Cal Poly Pomona Foundation for the 99th Annual Meeting of the Pacific Division of the American Association for the Advancement of Science (AAAS). It seems that the Foundation was involved in so many aspects of the meeting, from the housing at Kellogg West to catering for coffee breaks, receptions and our banquet and all points in between. We found everyone extremely pleasant to work with and very helpful.

The meeting was a very memorable and successful event. We had 544 registrants, and estimate about 600 attendees when taking into account those who didn't bother to register and those attending public events, for which registration was not required. We heard many good comments from attendees about Cal Poly itself and also the facilities.

Again, I thank you for the support of this meeting by the Cal Poly Pomona Foundation in very real and tangible ways.

Sincerely,

Roger Christianson
Executive Director

Los Olivos Continues to Use Produce Grown on Cal Poly Pomona Campus

Los Olivos (LO) is continuing to serve produce that is grown right on the Cal Poly Pomona campus by the College of Agriculture! Produce is delivered daily to ensure that the freshest ingredients are used in their meals. The fruits and vegetables that Los Olivos offers depend on the season. The produce is used throughout the numerous stations as a single ingredient or as part of a main dish.

A few of the items that are delivered to Los Olivos include avocados, carrots, broccoli, grapefruit, tomatoes, squash and more. Approximately 463 cases of Cal Poly Pomona grown produce were consumed at LO in 2017.

For Los Olivos dining hours and weekly menu, visit www.CPPDining.com.

Pony Express at CLA Undergoes Renovations

Foundation Dining Services has given Pony Express at the CLA building a few upgrades. Pony Express has not had any changes in the last few years, so CPP Dining decided to give the dining unit a fresh look before the fall semester begins.

The upgrade includes bringing in the Starbucks “On the Go” kiosk. The kiosk consists of two coffee machines, one that dispenses specialty drinks and another that brews coffee. Pony Express also received new fridges, had cabinets replaced, updated electrical units and more. In addition, product was also moved around to help keep the store more clean and organized.

Saddles Café to Open at Bronco Student Center

A new café has arrived at the Bronco Student Center! Foundation Dining Services will host a grand opening for Saddles Café in the Bronco Student Center on Thursday, September 13 at 11:30 a.m.

Saddles Café will serve specialty coffee and tea beverages as well as a variety of fresh pastries, grab n’ go items and a specialty panini menu.

Saddles Café is a “We Proudly Serve” program by Starbucks accompanied by pastries and a panini program. The panini program will incorporate fresh fruit and veggies grown on the Cal Poly Pomona campus.

The concept and design of Saddles Café were developed based on recent surveys, student input and the latest dining trends.

“I would highly recommend Kellogg House for your wedding. Working with the team pre-wedding was a pleasure. Jacqueline was detailed, prompt and incredibly helpful. The Kellogg team had everything under control during the wedding, and I fully trusted the team with the night’s festivities.

The venue was absolutely beautiful. We wanted the perfect backyard wedding, and we were able to get that thanks to this amazing venue. All in all, our wedding was the best night of our lives. The team at Kellogg House and the venue itself had a lot to do with that. We are forever grateful for

their help and ability to maintain such a beautiful property. We are thankful that we had the privilege of celebrating our wedding there.

Thank you so very much, Kellogg Team!”

“Kellogg House and its staff were a lifesaver for a couple that had to make a last-minute location change four months before the wedding date! We worked closely with Kellogg House Manager, Jaqueline to get our ducks in order from food, floor plans and contractual agreements. She was very professional throughout the entire process and was always prompt with her responses to our requests and questions.

Kristen was the venue coordinator the day of the wedding, and she was very supportive of making sure we were on track to complete all the activities we were scheduled to participate in. She also made sure we were hydrated and took care of our personal needs during the reception. Kristen went above and beyond by helping us pack our gifts and personal items at the end. She is a classy gal!

The Kellogg West staff was an enormous contributor to helping us achieve what we had planned for our wedding.

Thank you Jaqueline and Kristen for all of your hard work and help!”

I have a talent for... building computers from scratch.

No one would ever guess... I am a gamer at heart, especially massive multiplayer online role-playing games.

What's your favorite movie? Iron Man series, Avengers 1 & 2, "Captain America: Civil War" and the Ant-Man series

What's your favorite song? A few of my favorite songs are "Right Here Waiting" by Richard Marx, "I Do" by 98 Degrees, "My Everything" by 98 Degrees and "My Love" by Westlife.

What's on your bucket list? To be able to experience skydiving by myself without any assistance or someone attached to me.

If you could meet any public figure, living or departed, who would it be? If I could meet any public figure, I would like to meet Steve Irwin. I would ask him how to overcome my fear of small bugs and insects.

What was your favorite childhood TV show? "Dragon Ball Z"

What was your first job? My first job was as a food runner at Universal Studios dragging frozen buckets in a pallet across the park.

If you could travel anywhere in the world, where would you go and why? If I could travel anywhere in the world, I would travel to Paris. I would love to experience the magic of the city, and see if it truly is the city of love.

If you could be any animal, which would you be? I would like to be a dragon. Game of Thrones style!

When you support the services that are owned and operated by the Cal Poly Pomona Foundation, you help students obtain on-campus jobs, and help fund scholarships, campus programs and educational grants. Foundation enterprises include Dining Services, the Bronco Bookstore, the University Village and Kellogg West Conference Center & Hotel.

As the largest employer of students on campus, the Foundation offers valuable work experience and hands-on training to approximately 1,500 Cal Poly Pomona students each year. The Foundation offers positions in various fields; whether it is in the area of technology, science, retail, culinary arts, hospitality management, leadership or research grants, these student employees participate in Cal Poly Pomona's learn-by-doing philosophy and acquire practical skills in their designated field of study.

The Foundation also contributes operating support to nearly 1,100 Foundation and scholarship programs every year, including Bronco Athletics and the Norman J. Priest Scholarship. In addition, the Foundation administers grants and contracts, contributes to campus security, and supports several university publications. The Foundation contributes over \$1 million annually to Cal Poly Pomona.

Because of your support, the Foundation is able to provide these beneficial services every year. Thank you for making your purchases on campus and contributing to the success of Cal Poly Pomona students and the university community.
