Plans for Future Improvement in Fire Safety ..... 18

2019 Annual Security report ..... 18

Fire Log Location..... 18

## ANNUAL FIRE SAFETY REPORT

The Annual Fire Safety Report is published and disseminated annually in compliance with The Campus Fire Safety Right-to-Know Act, included as part of the reauthorization of the Higher Education Opportunity Act (HEA) institutional fire safety regulations (34 CFR 668.49). These regulations apply only to institutions with on-campus student housing facilities and focus exclusively on those facilities. The regulations do not apply to other buildings or other non-campus student housing the institution may own or control. The reporting period for this report is the 2018 calendar year.

The terms “On-Campus Housing” and “fire” used within this report are defined as follows:

- On-Campus Student Housing is defined as a student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within a reasonably contiguous area that makes up the campus.
- For purposes of fire safety reporting, a fire is defined as any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Cal Poly Pomona’s Annual Fire Safety Report provides the following information:

- A description of each on-campus student housing facility fire safety system;
- The number of fire drills held during the previous calendar year;
- Policies on portable electrical appliances, smoking and open flames in student housing facilities; and
- Procedures for student housing evacuation in case of a fire.

## REPORTING A FIRE

Although residents may report a fire to any University official, students and employees should report all fires, fire related emergencies, or smell of smoke to the University Police Department Police Dispatcher. Dial 9-1-1 from any campus or emergency phone, or (909) 869-3070 if using a cell phone. The nearest fire alarm may be activated.

After the fire has been extinguished, for purposes of including a fire in the annual fire safety report statistics, all fires should be reported to one of the following housing officials: University Housing Services - Executive Director, Residence Life Director, Professional Responder On Duty, Associate Director of Facilities: Foundation Housing Services (FHS)/University Village - Director of Foundation Housing, Associate Director of Operations, Assistant Director for Community Standards & Wellness, Assistant Director for Leadership Development, Facilities Manager.

## MANDATORY SUPERVISED DRILLS

Evacuation drills are conducted involving all University Housing Services (UHS) facilities and Foundation Housing Services (FHS)/University Village annually. All Housing professional staff and student resident and community advisors receive training in evacuation policies and procedures. A mock evacuation drill is conducted annually with University Housing staff.

During this reporting period, the university conducted (2) mandatory supervised drills as listed below.

**Evacuation Drills**

Type of Program	Date	Dept. Provider	Audience	Description
Evacuation Drill; Education and Awareness Program	Annual 10/18/18	Institutional Risk & campus partners	Campus Proper Bldgs., CLA Bldg. & Other	Announced/Evacuation Drill; Great California Shakeout (the Shakeout)
Evacuation Drill	Bi-Annual 01/10/18 01/11/18 8/28/18 08/30/18	Institutional Risk & University Housing Services (UHS)	UHS - Suites UHS - Halls UHS - Halls UHS - Suites	Unannounced/Evacuation Drill for student residents and Residence Life employees
Evacuation Drill	Annual 09/04/18  10/18/18	Institutional Risk & University Village	University Village (UV) Housing – Foundation  UV Recreation Center/Comm Center	Unannounced/Evacuation Drill for student residents and Residence Life employees  Announced/Evacuation Drill as part of the Shakeout

**RESIDENTIAL FACILITIES - STREET ADDRESSES**

## EMERGENCY NOTIFICATION FOR FIRE INCIDENTS

In the event of a fire, the fire alarm will notify any building occupants. Cal Poly Pomona may follow the same notification policy for fires that it does for criminal incidents or emergencies. The University will issue emergency notifications, without delay, in response to a confirmed significant emergency or a dangerous situation, occurring in the Clery defined on campus geography that, in the judgment of the University, constitutes an immediate threat to the health or safety of members of the on-campus community.

Once UPD has received the report, the Chief of Police, (or management designee in the absence of the Chief), will confer with the appropriate public official (e.g., fire chief, health department) and any campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) an emergency or dangerous situation in fact exists in on-campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community.

If both of the above factors are not met, no emergency notification will be issued.

If it is determined that both of the above factors are met, then an emergency notification will be issued to the community. The Chief of Police (or management designee in the absence of the Chief), will confer with the Clery Director if one is designated and if available, to prepare the content of the notification taking into account the safety of the on-campus community. They will also determine, based on the confirmed facts of the emergency, if the entire campus community or only a specific segment of the on campus community is threatened and need to be notified. Examples of emergencies where only a segment might be alerted would be a fire contained in a dorm laundry room where only the residents of that one dorm floor or of that one dorm building are at risk and need to evacuate, or a chemical spill in a lab where only the one room, floor, or the occupants of that one building are at risk and need to evacuate.

Once the notification is prepared, the Chief of Police or the Clery Director if one is designated, or in their absence, the management designee(s) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures.

Distribution methods of emergency notifications may include but are not limited to one or more of the following methods:

- The campus mass notification system, including but not limited to phone, campus email, or text messaging
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems
- In person or door-to-door notifications in a building or residence halls
- Other means appropriate under the circumstances

Students and employees who need information on how to add contact information to be included for

emergency notification or to remove information and “opt out” of notifications should visit <http://www.cpp.edu/~safety/emergency-communication/safety-alert-system.shtml> or call the Information Technology Help Desk at (909) 869-6776 for assistance.

The Chief of Police or the Clery Director if one is designated, or in their absence, the management designee(s) will provide follow-up notifications and information until the emergency is mitigated and no longer poses a threat.

#### Emergency Notification and Fire Safety Training Activities

Type of Program	Date	Dept. Provider	Audience	Description
Safety Alert Test	Quarterly	Strategic Communications	All - Campus Wide	Test of the campus safety alert system for critical incidents or emergencies
Fire Extinguisher Use	On-going	Institutional Risk	University Housing, University Village- Employees and students	Basic fire extinguisher deployment training

## FIRE SAFETY EDUCATION AND TRAINING PROGRAMS

All student residents and employees are trained in procedures to report fires and other emergencies. This information is included in all new student orientation and student housing employee training and is reinforced in procedures and protocols. All students and employees should report all fires, fire related emergencies, or smell of smoke to University Police. Dial 9-1-1 from any campus or Code Blue emergency phone, or (909) 869-3070 if using a cell phone to reach a Police Dispatcher 24 hours a day. The nearest fire alarm may be activated. Information regarding these policies and evacuation procedures are outlined in the Evacuation and Fire Safety Policies section of this report.

Although the institution does not have policies related to fire safety education programs and fire safety training programs associated with on-campus student housing facilities, fire safety education and training is a high priority. All housing professional and student staff receive training that includes evacuation policies and procedures, fire extinguisher training, notification procedures, and other related safety topics.

Evacuation maps are affixed to the interior side of all University Housing Services room and suite doors. There is permanent signage throughout facilities providing emergency contact information, evacuation, and other related safety information. At the University Village, each apartment has an evacuation map and emergency procedures poster on the inside of the front door.

All University Housing Services residents receive training in emergency procedures and protocols at an all hall meeting at the beginning of the academic year. Throughout the year, Resident Advisors may hold additional workshops and trainings for housing residents on fire safety, with fire department personnel providing fire extinguisher training.

All University Village residents are required to read, and agree to adhere to, fire safety and evacuation policies and procedures included in their license agreement.

Residents may access additional safety information on-line at <http://www.cpp.edu/~housing/forms-policies/safety.shtml>

## FIRE SAFETY POLICIES AND EVACUATION PROCEDURES

### Smoking Policy

Cal Poly Pomona is a smoke and tobacco free campus. The smoking policy defines "smoking" as lighting, burning, carrying, inhaling, exhaling, or holding a lit cigarette, cigar, bidi, pipe, or other smoking or recreational vapor delivery apparatus containing tobacco or another substance. The policy is available on-line at <http://www.cpp.edu/~smokefree/policy.shtml>

### University Housing Services (UHS) – Fire Safety Policy

**Fire Safety/Evacuation – Any violations may result in eviction from UHS property on the first offense.**

1. All persons are required to evacuate the building any time an alarm sounds and follow evacuation instructions given by the UHS staff. During an evacuation, UHS staff may enter individual units to verify evacuation. No person is allowed to re-enter the building during an evacuation until approved by UHS staff or emergency personnel.
2. Intentional misuse of, tampering with or obstruction of the fire safety system or firefighting equipment (e.g., fire alarm, fire extinguisher, emergency "EXIT" signs, smoke detectors, fire sprinkler heads, etc.) is a misdemeanor violation in accordance with City of Pomona Ordinance #3286.
3. Possession, storage or use of ammunition, explosives (firecrackers fireworks, smoke bombs, etc.), flammables (gasoline, propane, butane, kerosene, etc.), candles or any item with an open flame in the housing facilities (including on balconies and patios) is strictly prohibited.
4. Burning any material, including incense, is prohibited except when specific prior approval is obtained from the building Coordinator for the purpose of religious observances only.
5. Decorations that are flammable or fire hazards (including candles or incense –are prohibited - see [Fire Safety, II. Community Standards, #D.](#)
6. Licensee shall not bring or maintain any hazardous electrical decoration including, but not limited to, halogen torch lighting.
7. Extension cords and multiple plugs/outlet adapters are prohibited.
8. Only power strips with a minimum 1449 UL listed surge suppressor with sufficient joule capacity should be used for protection of computers and other electrical equipment.
9. It is prohibited to cover more than 25% of a door or wall in both private and public spaces.
10. It is prohibited to hang objects from the ceiling in both private and public spaces.
11. "Live cut" trees (such as Christmas trees) or other combustible decorations are prohibited in the residential facilities.
12. Any permissible holiday decorations in the residence halls must be made of fireproof materials and be UL (Underwriters Laboratory) List-approved for the intended use.
13. All electrical decorations must remain within unit and not be mounted on doors, windows or their frames.

## Foundation Housing Service (FHS)/University Village - Fire Safety Policies and Responsibilities

### Barbeques

- A. You may possess, and use personal charcoal barbecues a minimum of twenty-five (25) feet from any FHS building. Gas and propane barbecues are prohibited.
- B. You must remain with hot barbeque at all times, dispose of all extinguished coals/ash in a trash receptacle, and clean the area after every use. Barbeques are to be stored in a safe location that doesn't block any emergency exit or egress.
- C. Lighter Fluid and charcoals cannot be stored in the outdoor storage closet due to the location of the hot water heater.
- D. The proper storage location for lighter fluid and charcoal are:
  - Phase I: Under the kitchen sink or inside the kitchen/hallway closet
  - Phase II: Under the kitchen sink or inside the kitchen/hallway closet
  - Phase III: Under the kitchen sink, inside the hallway closet, or in the side nook in the housing unit (next to dining room table)

### Fire Safety, Fire Evacuation and Emergency Procedures

- A. Highly flammable materials, liquids, or instruments which pose an unreasonable risk of damage or injury are prohibited. These items include, but are not limited to: candles, incense, space heaters, fireworks, gasoline, helium tanks, tiki torches, explosives, toxic chemicals, propane or other gas cylinders, biological agents, etc.
- B. Misuse of the stove or leaving a lit stove or oven unattended is prohibited.
- C. Power strips, extension cords, and string lights are permissible as long as they are UL approved and meet minimum fire safety regulations for indoor use. Plugging multiple extensions cords and power strips into one another is prohibited.
- D. It is a misdemeanor violation to tamper or obstruct fire safety system or equipment in accordance with the City of Pomona # 3286. This includes tampering or breaking fire alarms, fire equipment, hanging/covering fire safety items or making false reports.
- E. Sending false alarms is prohibited. You will be charged for the replacement of any fire safety device lost, discharged, or damaged by Licensee or guest.
- F. Licensee shall not block space in any manner as to block emergency access to the window(s) or door(s).
- G. A maximum of 8 people, including Licensees, are allowed in a unit (including porches/patios) at any given time.
- H. Artificial Christmas trees are allowed if under 4 feet.
- I. Hoverboards and similar motorized devices are prohibited on University Village property.
- J. All persons are required to evacuate for emergencies and University Village training evacuations.
- K. Tampering or removing the University Village evacuation map on the back of your housing unit front door is prohibited. The emergency procedures and evacuation map should be viewed by all Licensees and their guests.

### Furnishings and Appliances

- A. Mini-refrigerators greater than 3.5 cubic feet, in-line water purification systems, lofts, electrical appliances used for heating or preparation of food (portable stoves, hot plates, etc.), portable dishwashers, halogen lamps, waterbeds, and washers or dryers are prohibited.
- B. Microwaves, toasters, and other cooking devices are only allowed in kitchen area for fire safety. Appliances must be directly supervised at all times while in use.

## **University Housing Services – Evacuation Procedures and Responsibilities**

### **The Residential Life Team (RLT) Evacuation Responsibilities**

During business or after-hours emergency evacuations, the Residence Life Team (RLT), Resident Advisors (RAs), and Front Desk Assistants (FDAs) are designated to evacuate the residents from their assigned residential buildings. However, in the event that any pre-assigned individuals are not present or available during an emergency evacuation, University Housing Services emergency team members shall solicit assistance from other staff and residents, or request assistance from University Police or campus Emergency Operations Center to provide staff or volunteers to help with the evacuation.

Area Coordinators (ACs): The Area Coordinators are the designated Building Marshals (BMs) for their assigned Residence Halls, Residential Suites, and CRS. ACs are responsible for implementing the Residence Evacuation Plan into action during after-hours.

### **Principal Building Marshal (PBM) Responsibilities**

All BMs will have access to Two-Way radios as part of their emergency supplies located at the Front Desk of their buildings. The radios will help BMs to communicate with the Principal Building Marshal (PBM) and the other BMs during the evacuation process. The BMs will be called by the PBM to give evacuation status reports, inform of any high-risk areas, or to let them know when the evacuees are able to reenter the buildings. Radios should be set to Channel 1. Extended conversations should be set to Channel 2.

Public Safety Two-Way Radios – University Housing Services has three (3) public safety band two-way radios. The radios are located in the Assistant Director of Business Services Office in the La Cienega Center, Bldg. 59; the Associate Director of Facilities Office in the Naranjita Center (Java), Bldg. 71.

### **Building Evacuation Procedures/Resident Rosters**

With the help of the RAs and FDAs, the Building Marshals (BM) are to safely evacuate residents, guests, and staff from the Halls/Suites/CRS. All BMs are required to keep current resident roster lists in the emergency bins located in the Front Desk. ACs can access rosters through StarRez and must keep rosters updated at all times.

Once the evacuees have been escorted to the designated evacuation site, the BMs, RAs, and FDAs are required to take resident attendance and submit all resident roster lists to the PBM at the Rose Garden or Sycamore Grove. BMs and Floor Captains must use reflective signs located in the Emergency Bin to organize the residents at the evacuation site.

The PBM will collect and deliver all resident roster lists to the main campus Emergency Operation Center (EOC) located in Building 49 on Citrus Lane.

### **Resident Advisors (RAs) and Front Desk Assistants (FDAs) Responsibilities**

Under the direction of the Area Coordinators/Building Marshals, the RAs and FDAs are to assist in executing the Resident Emergency Evacuation Plan. In an ideal situation, the emergency procedures should be executed per the established evacuation process. However, in most cases, not every RA, FDA, or AC will be present during an unexpected emergency evacuation.

Absolutely no one is permitted to reenter the buildings until it is cleared for reentry by the Principal Building Marshal. The RAs or FDAs should solicit the help of resident volunteers to help evacuate the buildings. Procedures dictate personal safety first. If there is imminent danger, staff are directed to not enter the building or attempt any heroic feats.

### **Residence Evacuation and Staging Areas**

The Residence Halls, Los Olivos Dining Commons, and La Cienega Center are to evacuate to the Rose Garden and Naranjita (Java) lawn areas:

- Rose Garden: Palmitas, Bldg. 57; Cedritos, Bldg. 58; La Cienega Center, Bldg. 59; Los Olivos Commons; Bldg. 70; Encinitas, Bldg. 20; and Montecito, Bldg. 21
- Naranjita (Java): Alamitos, Bldg 22; Aliso, Bldg. 23; and Naranjita Center (Java), Bldg. 71

### **Residential Suites Evacuation and Staging Areas**

The Residential Suites and Vista Denny's/Multi-Purpose Room are to evacuate to the Soccer Fields and Bronco Commons:

- Soccer Fields: Vista Den Market/The Den/Multi-Purpose Room, Bldg. 52; Montanas, Bldg 62; Luna, Bldg 63
- Bronco Commons: Estrellas, Bldg. 54; Bonita, Bldg. 60; Sol, Bldg 61

### **Residence Halls and Suites Evacuation Process**

University Housing has a very detailed process and well-defined responsibilities to ensure effective implementation of emergency evacuation procedures. Additional information is available upon request.

## **Foundation Housing Service (FHS)/University Village - Evacuation Chain of Command**

- I. [Building Marshal/Incident Commander] – Director of Foundation Housing Service (DH)
  - a. Main contact with CPP Emergency Services Coordinator (ESC)
  - b. Maintains open and continuous communication throughout evacuation process with ESC
  - c. Maintains direct line of communication with IC
- II. [Floor Captain] – Phase Captain Coordinator (PCC) – Assistant Director for Leadership Development (ADLD)
  - a. Remains at Emergency Operations Center (EOC)
  - b. Maintains direct line of communication with Primary Phase Captains (PPC), Special Teams Coordinator (STC), and Resident Captains (RC)
  - c. Gives direction and instructions to each aforementioned position
  - d. Maintains direct line of communication with Building Marshal/Incident Commander (IC)
- III. [Floor Captain] Special Teams Coordinator (STC) – Assistant Director for Community Standards & Wellness (ADCSW)
  - a. Reports to PCC
  - b. Maintains accountability of Special Teams
  - c. Gives direction and instruction to Special Teams
  - d. Maintains direct line of communication with PCC, IC, and Supervisor on Duty
- IV. [Floor Captains] Primary Phase Captains (PPC) – Area Directors/Community Development Specialist
  - a. Reports to PCC
  - b. Remains at assigned Phase Evacuation Point
  - c. Communicates the needs of the RC's up to PCC
  - d. Checks in residents into Phase Evacuation Point through use of Master Roster
  - e. Communicates upwards to PCC to assign new tasks to RC's as needed
- V. Secondary Phase Captains – Graduate Assistants
  - a. Reports to PPC
  - b. Remains at assigned Phase Evacuation Point
  - c. Assists with resident check in process

- d. Maintains crowd control
- VI. Resident Captains (RC) – Resident Advisors
  - a. Reports to PCC all complete building evacuations
  - b. Completes search and rescue with partner in every room of every apartment assigned
  - c. Reports to PPC once assigned buildings are completed
    - i. PPC reports to PCC, distribute new instructions to RC's
- VII. Special Teams – Community Development (CD) Team, Managerial Assistants (MA), Supervisor on Duty, and Resident Advisors on Duty
  - a. Reports to STC
  - b. CD and MA teams
    - i. Assists RC's as partners in search and rescue as acting RC's
    - ii. Provides support/completes tasks assigned by STC/ADCSW, PCC/ADLD, or IC/DH
  - c. Supervisor on Duty and Resident Advisors on Duty
    - i. Responds to calls received on Supervisor and Resident Advisor duty phones
    - ii. Provides support/completes tasks assigned by STC/ADCSW, PCC/ADLD, or IC/DH

## PLANS FOR FUTURE IMPROVEMENT IN FIRE SAFETY

A new University Student Housing residence facility is underway to replace older residence halls. This facility will have the most current fire safety equipment. In addition, other planned improvements are as follows:

- Add electrical caution signage to fire panel closets and emergency supply storage locations
- Implement daytime evacuation drill for business office spaces and staff
- Add additional building marshals and floor captains with separate daytime and nighttime responsibilities

## 2019 ANNUAL SECURITY REPORT

The 2019 Annual Security Report pursuant to the Jeanne Clery Disclosure of Campus Security Policies and Campus Crime Statistics Act (20 U.S.C. § 1092(F)) may be accessed on-line from the university home page or at [http://www.cpp.edu/pdfs/annual\\_security\\_report.pdf](http://www.cpp.edu/pdfs/annual_security_report.pdf)

## FIRE LOG LOCATION

The Fire Log for University Housing Services and Foundation Housing Service is maintained at the front counter of the University Police Department as required. The log may be accessed at University Police and Parking Services Building 109 located at 3801 West Temple Ave, Pomona, CA.
